We extend our sympathy to the family and friends of Christy Brew formally of Knockerra who sadly passed away in England on Monday 28th September. May he rest in peace.

Face Masks

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

Covid-19: Reflections, Prayers, Poems

During the COVID-19 lockdown Fr Arnie of Shannon Parish put out an invitation for submissions in poetry, prose, short story, and prayers on peoples' experience of journeying through the pandemic, and those who were diagnosed with COVID-19. He has just edited a book in response to the submissions received entitled 'Covid-19: Reflections, Prayers, Poems' which is now available to purchase on Kindle and Amazon.Co.Uk as an e-book and print version. The print version is €15 which includes postage. A great feature of the book is that it records the inner thoughts and feelings of those at this time in our history, who write about the pandemic from a personal perspective, and the impact it has had on them. From the young to the wise they share their story. All proceeds from the book will go to the Shannon Clare care Office which provides tremendous support in our community, and the Cleft and Lip Palate Unit at Our Lady's Hospital for Sick Children, Dublin, which performs great work in healing children of the condition. The Parish Office in Shannon is also delighted to order the book for you by leaving your name and contact details to office@shannonparish.ie or calling 061-363243.

ISI, Help Available

The ISI is the independent government body with four debt solutions to help people with all levels of problem debt - from credit cards to mortgages. It regulates debt advisors called Personal Insolvency Practitioners (PIPs).

You could be insolvent if:

- You can't pay your bills in full when they are due
- You're paying a little off each bill trying to keep creditors at bay
- You've had calls and letters about missed repayments and threats of repossession.

If you are insolvent and in arrears on your home mortgage you could also be eligible for a free consultation with a PIP under the State-funded Abhaile Scheme. The purpose of that Scheme is to help people in serious arrears to find the best available solutions, with the help of professional advisors. The priority will be to find a sustainable solution that keeps a person in their home, where possible.
