World Day Of Remembrance For Road Traffic Victims

The World Day of Remembrance for Road Traffic Victims is held every year on the third Sunday of November. The next World Day of Remembrance is on this Sunday 17th November 2024. This day focuses on both the overall scale and the individual devastation caused by road deaths and injuries and the impact upon families and communities around the world. Almost 4,000 people are killed and many hundreds of thousands injured on roads throughout the world every day. Many more have to cope with bereavement or the effects of injury and thus become part of the huge group of people affected by road carnage. Today we pray for and remember all the people killed and seriously injured on our roads.

All Saints, All Souls

Remember those who kept the faith, who always turned to pray,

Who showed the love of Jesus in their lives from day to day.

Remember those this special time, who live with God above,

*All Saints, All Souls, and all our own,
Who live with God in love.*

Amen
